Commuter Option: This is for teams who have elected NOT to stay in the dorms. There is NO additional cost for commuters. Select “Register” beside your team's’ weekend in the “Player Registration” box. On the next page, enter your name, select “Commuter - \$0.00”, and click “Save and Checkout”. Enter your information on the subsequent pages and be sure to complete the registration all the way to the final checkout. There should be a zero balance when you checkout as a commuter.

Overnight Options:

1. Players pay for themselves individually: Player/parent click “Register” beside your team's’ weekend in the “Player Registration” box. On the next page, enter player’s name, select your team’s dorm option, and click “Save and Checkout”. Enter your information on the subsequent pages and be sure to complete the registration all the way to the final checkout page, which will require a credit card.
2. Coaches can pay for all players/coaches with a school issued check: Player/parent click “Register” beside your team's’ weekend in the “Player Registration” box. On the next page, enter player’s name, select your team’s dorm option, and click “Save and Checkout”. Enter your information on the subsequent pages. ****At the final checkout page, enter a promo code (Coach, PLEASE EMAIL ajf2@stmarys-ca.edu for team promo code) and finish the registration. This will zero out the balance and allow the players/parents to complete the registration without incurring any additional fees.**
 - a. Once we determine your total number of players & coaches, I can send a separate invoice with the \$\$ total for the school to cut a check.
